YEAR!

LOST SOULS IN A FISH AFTER

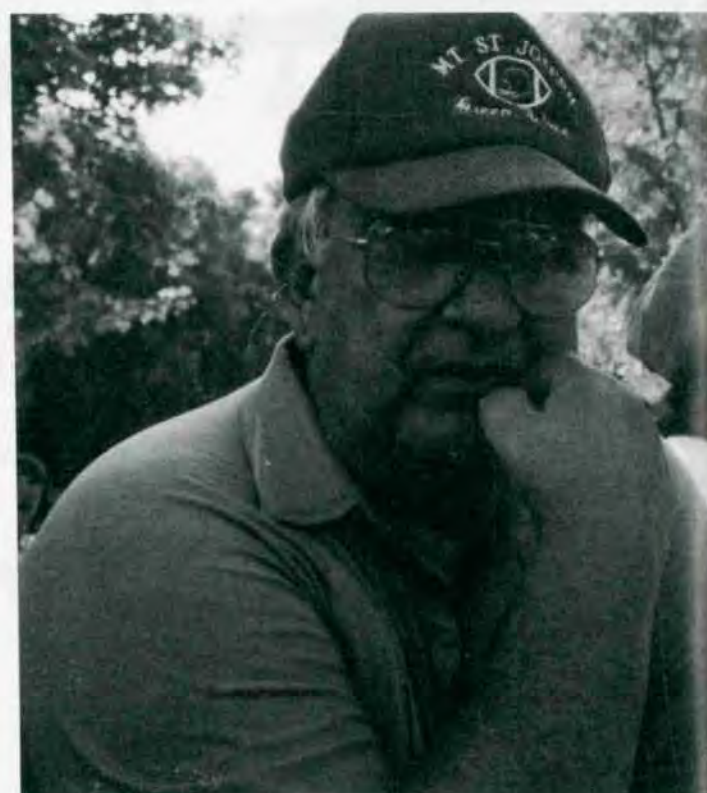

To Our Beloved Teacher And Friend, Mr. Rizziere:

We, the class of 1999, have the privilege of dedicating our yearbook to our good friend, Mr. Rizziere. When we think of M.S.J., we do not think of Mr. Rizziere as a part of M.S.J., but as the heart and soul of M.S.J. We love Mr. Rizziere so much that it seems wrong to address him as Mr. Rizziere; for us, he will always be our good pal, "Mr. Rizz".

As Freshmen, we were an insecure group of children. You were always there for us when we had our troubles. Your gregarious smile and your warm personality comforted us. You made us really want to belong and become the people we are today. You were not only our spark in the classroom, your presence was our light during lunch, when we were victorious on the basketball court, and when we failed on the gridiron. You always understood who we were, and who we are today. We hold a special and unique bond with you that can never be broken. We love Mr. Rizz, not only because he IS Mr. Rizz, but because he is, and always will be within each and every one of us.

Sincerely,
The Class of 1999

September, 1998

Dear Students,

Allow me to begin this letter by telling you how wonderful you are. You are very easy to love and admire. You made me feel welcome and I truly believe we are becoming friends and that is very special. You, your parents and your teachers have given me the support and co-operation needed to serve and lead. Your love and respect have caused me to have fun and truly look forward to coming to "work" each day. I will smile and I hope you will also, when we recall our pep rallies!

I am proud to be a part of MSJ, I will never forget you. I will leave with memories of you that will bring many a smile when they are recalled. Each of you in your special way has inspired and motivated me to strive to be a better person and a better administrator.

Please pray for me and my family and I, too, will remember all of you in my prayers.

Love,

John Iurato

"Mt. St. Joseph's reputation has a long history of excellence in scholastic and athletic achievement. It is my hope for M.S.J., as we currently plan to renovate our school's facility and upgrade our technology resources, we will continue to build on these traditions. What Are Your Hopes For M.S.J. In The Year 2000?

This is what Mr. Schaft hopes for:

The girls Ice Hockey Team wins the State Championship.

The three men's Football teams go undefeated, untied, and unscored upon.

The Scholars Bowl and Debate Teams go to Orlando, Florida and win the Nationals.

The Chess Club hits the 100 member mark.

A mysterious anonymous spinster leaves the school a 25 million dollar endowment, and tuition is \$1 per family.

Scott's wants to film their commercials at our new soccer fields because they are so lush.

35 people finish in the top 10% of the UVM Math test. The MIT Math faculty shows up to recruit.

Chris Berman does the pre-game show for the RHS-MSJ Game.

"I like it here more now because I am learning a new language, a different culture, and I am getting to know another country. The school is cool. The teaching is fine and the people are dedicated to their work. The teachers and students are excellent. I know when I go back to Brazil, I will never forget this experience because I know that to learn is very fine and everything taught to me is going to be worth it for my future."

"It's hard to believe, I've been here almost 2 years. My sophomore year was hard, but fun and so far my junior year is great. Everybody has been really nice to me, and the teachers were awesome. This year, I feel I have a little more confidence and I would like to try to do better than last year. M.S.J. is very good place to be. I enjoy my life at M.S.J., and I'm proud to be a part of this school. I really appreciate the chance and the great time M.S.J. has given me. I thank the teachers for all the support and help during my school years here at M.S.J. especially on my English. Thank you to my classmates year of 2000, for anything and everything. I'm glad I get to know all of you and I hope to know you all better before I leave. You have all made a difference. Also to my unforgettable Indo-friends, Jolynn, Anty, and Dickson thanks for sharing, caring and the great friendships, and all the help and support. You are all great friends! Special thanks to my Host family- Jim, Marie, and my cut Host sister, Marci Hayes. Thanks for all the help, support, love, and everything. I enjoyed my stay with you and hopefully you will still be able to put up with me another year!"

"My first year at M.S.J. was great! I really hope my second one is even better. I remember how shy and quiet I was when I first came here. But as time goes on, I realize that this is the place where I want to be, instead of Indonesia. I thought at first that I wouldn't be able to handle all the different things, such as culture that surrounded me. But I did it! Thank you to my host family, the Johnsons, for letting me share my life with them anytime, and anywhere. Also, I thank all the M.S.J. community for being the right place to learn, to live, and to have fun! M.S.J. IS SUCH A GREAT PLACE TO BE!!

Dickson

"There is time for everything; there is time for crying, and there is time for laughing; there is time to come together and there is time to be apart." "The time runs so fast, and I passed my second year here in the U.S. I had 2 great years here at M.S.J. that won't be forgotten. Yes, it wasn't easy to adapt, but you all helped me to make it happen. I've learned and experienced a lot of wonderful things as a part of the M.S.J. community. Finally, I would like to thank God, my family in Indonesia, Mrs. Flanagan and the Indokids Board, Ms. Sheridan, M.S.J., and the Pratt family. My lovely host family has always been there to make me joyful and comfortable."

What can be said for something that does not exist, yet we imagine, imagine all that is swelling in our minds, that which waits to be unleashed, yet still so unreal that it could never be understood? At times, I wonder if it all comes down to nothing. Yet, I can't. I can't because I feel that we still have too much to offer, which goes beyond a mere physical existence. The little voice inside of me chants. It is eerie. It makes me what to think about something that we can be, the something that unifies us. The spotlight may shine. I hope it hasn't shined already.

Hold fast to your memories,
to all of the cherished moments of the past,
to the blessings and the laughter,
the joys and the celebrations,
the sorrows and the tears.

They all add up to a treasure of fond yesterdays
that you shared and spent together,
and they keep the one you loved
close to you in spirit and thought.

In My Life
By: The Beatles

There are places I remember all my life,
Though some have changed.
Some forever not for better,
Some have gone and some remain.
All these places have their moments with lovers
And friends I still can recall.
Some are dead and some are living.
In my life I've loved them all.

But of all these friends and lovers,
There is no one compares with you.
And these memories lose their meaning,
When I think of love as something new.
Though I know I'll never lose affection
For people and things that went before,
I know I'll often stop and think about them.
In my life I love you more.

Though I know I'll never lose affection
For people and things that went before,
I know I'll often stop and think about them.
In my life I love you more.
In my life I love you more.
